JUMPSTART SC sign-up

A new JUMPSTART class is about to begin. JUMPSTART is a transitional care ministry designed to prepare men and women for release by helping them discover their God-given purpose. This is done through a Bible-based, Christ-centered, long-term, intensive discipleship class.

Applicants who are within two years of parole or max out with six months disciplinary free are given first consideration. However, if you do not meet these criteria, you are still welcome to sign up. Everyone is considered on a case-by-case basis.

Please write all information as legibly as possible.
